

**DESIGNED AND MADE
TO MAKE A DIFFERENCE**

WHATEVER YOU NEED FOR A GREAT DAY

NeverLost® is an original Swedish brand.

The team behind NeverLost are keen and experienced hunters. "Hunting alone in the Swedish wilderness is a fantastic experience.

Many ideas for new products have sprung to life when the going gets rough and you see the draw backs of your old equipment" says Kåre Gravell, founder of NeverLost.

Our design philosophy has been met with great success by professionals and ordinary hunters alike. You may not hunt professionally but you and your hunting are naturally worth the best.
